LUKE

Jesus on the Way to Jerusalem

2019

w4CAA's 4th annual conference
Main site in Princeton, New Jersey
Satellite sites on the west coast

Memorial Day weekend
25-27 May 2019

Learn to **lead an inductive Bible study** — or sharpen your skills — and actually **study the middle part of Luke** with your brethren in Christ, with background taught by **Alastair Roberts** (Ph.D., Durham). Sanctify these two days with scriptural sacrifices of **Morning and Evening Prayer** according to the Anglican tradition's Book of Common Prayer, and **learn a metrical psalm** you can teach your church to sing.
